Sonance Virtuoso® SSSDR-Series Single-Stereo Speakers

Sonance Virtuoso® SSSDR-Series Speakers

Sonance Virtuoso SSSDR® speakers combine the outputs of your amplifier's left and right stereo channels, and play both signals from just one speaker. Totally redesigned for 2006, these new Virtuoso SSSDR speakers incorporate advanced driver materials and technology that give them stunning musical performance.

Virtuoso SSSDR speakers are ideal for use in hallways, bathrooms, closets, or any location where a pair of stereo speakers would be impractical. The Virtuoso SSSDR's innovative fully-pivoting design delivers outstanding musical performance from a wide variety of challenging installation locations.

Features:

- Completely redesigned for 2006 with dramatically improved sound quality and quicker/easier installation.
- Fully-pivoting woofer assembly directs sound at listeners, for superior sound even when placement options are limited.
- Advanced driver materials deliver extremely accurate musical performance.
- 8" Diameter woofers deliver deep, powerful bass.
- Graphite-Reinforced ABS (GRABS) woofer baskets reduce resonances.
- 3-Position midrange and tweeter adjustment switches (V833SSDR).
- Exclusive new FastMount® tabs hold speaker in the mounting hole during installation, allowing installer to let go of the speaker to pick-up tools or other items.
- RotoLock® mounting system simplifies installation.
- Paintable aluminum grilles.
- Optional Retrofit Enclosure reduces sound spillover from rear of speaker into adjacent spaces.
